Venice, October 14.

WE have received by the Way of Vienna Diſpatches from Sig. Carlo Ruzzini, Ambaſſadour of the Republick to the Ottoman Porte, by which he ſends Advice, that he arrived at Conſtantinople on the 24th of Auguſt. He at the ſame time mentions, that the Plague raging there very much, Count Virmond the Emperour's Ambaſſadour, who was encamping under Tents to avoid the Contagion, had been obliged to change his Quarters ſeveral times, and that he was preſſing for having his Diſpatches and Audience of Leave, in order ſpeedily to return to Germany, which however he had not yet been able to obtain. The Imperial Horſe which are paſſing through the Eccleſiaſtical State, are marching in two Colums, the chief of which have taken the Rout of Aſcoli, to enter Abruzzo, the Pope's Officers furniſhing them with all Neceſſaries. The Recruits are to be embarked at Fiume, whither a great Number of Veſſels have been ſent for tranſporting them to Naples.

HAMBOURG.

Letter from the King of Great Britain to the Elector Palatine.

GEORGE by the Grace of God, &c. to the moſt ſerene Prince and Lord, Charles Philip, Count Palatine on the Rhine, Arch-Steward of the Holy Roman Empire and Elector, Duke of Bavaria, &c. our moſt dear Brother, Couſin, and Friend, Greeting. Moſt Serene Prince, deareſt Brother, Couſin, and Friend. We have to our great Concern been informed, that your Electoral Highneſs's Subjects, profeſſing the ſame Proteſtant Doctrine with us, have of late been frequently moleſted, that not only their Churches with the Revenues belonging to them are ſeized, but even that they are entirely forbid the uſe of the Catechiſm, containing the Principles of our Religion, drawn from the Holy Scriptures. Wherefore, and upon the Sollicitations of our good Brother and Son in Law the moſt ſerene King of Pruſſia, as alſo of the Lords the States General of the United Netherlands, and of the moſt ſerene Landgrave of Heſſe, we could not decline laying before your Electoral Highneſs, jointly with them and in a friendly Manner, the Grievances, Rights, and Privileges of your ſaid Proteſtant Subjects. And the rather becauſe we cannot believe, that ſuch a Way of converting People is approved by your Electoral Highneſs, but is rather ſet on foot by Perſons who are excited by an indiſcreet Zeal. This gives us certain Hopes, that when every Particular ſhall be rightly explained and throughly conſidered, your Electoral Highneſs will of your own Motion relieve your faithful Subjects, who have ſo well deſerved of you and the illuſtrious Electoral Family, and take Care, that the Tenour of publick Treaties, and the Rights and Privileges deliberately granted with a pious Intent by your Electoral Highneſs's Anceſtors and Predeceſſors, by virtue of the like Sovereign Power which you now enjoy, may be ſacredly and inviolably preſerved. Your Subjects will thankfully acknowledge this as a Pledge of your Electoral Highneſs's Clemency and Juſtice, and return you their dutiful Prayers. This your Electoral Highneſs's Benevolence will no leſs affect the Proteſtant Princes and States, and they will be Sharers with them in that Obligation, when they ſee the Profeſſors of their common Religion enjoy in your Dominions their acquired Rights and Privileges, and a full Liberty of Conſcience and Worſhip, by which all Cauſe of Diſtruſt and Complaint will be removed. As this deſerves the moſt ſerious Regard, we recommend it to your Highneſs's Piety and Juſtice; and if we ſhall find that this our friendly Interpoſition has the deſired Effect, we ſhall acknowledge ourſelves thereby obliged, and take it as a Proof of great Friendſhip. We have ordered our truſty

trusty and beloved James Haldane, Esq; our Minister with the most serene Landgrave of Hesse, on our Part to remonstrate and treat on these things more at large, and to assure your Electoral Highness of our Affection and Good-Will; we desire your Electoral Highness in the most friendly Manner to grant him easy Access and Audience, and to give him entire Credit, and a Resolution in this Affair agreeable to our Expectation. For the rest, we heartily recommend your Electoral Highness to God Almighty's Protection. Given at our Court at Herrenhausen the 22d of September, 1719. Your Electoral Highness's good Brother, Cousin, and Friend, *GEORGE* R.
